Resources

6 In addition to field testing the lessons, you may want to test individual resources. Using the menu icon at the top, navigate to the Resources page and filter by PROGRAM and then by GRADE using the drop down menus.

You will then be able to filter the resources by category, for example "Listening Maps" or "Songs and Octavos." After clicking on a category and a resource, click "ALL Categories" on the left to bring the complete menu of resource options back.
