

## Powerful Differentiation for Every Student

Discover an English Language Arts program with Integrated and Designated English learner instruction all in one program.

StudySync® supports literacy and skills development for all students, including beginner, intermediate, and advanced English learners (ELs). All lessons include Access Path resources, such as sentence frames, graphic organizers, glossaries, and tools for use in whole group, small group, and one-on-one instruction.

### STUDYSYNC ALSO PROVIDES:

- ☀ Lexile®-leveled library items
- ☀ Audio playback of text with variable audio speeds
- ☀ Audio highlighting of text with tempo control that allows students to both see and hear how syntax and grammar shape language
- ☀ Dynamic and interactive **vocabulary instruction**
- ☀ StudySync® TV and SkillsTV videos that effectively support the development of English fluency skills
- ☀ Lexile®-leveled, social-media-like **Blasts** assignments that connect students to current events

### DESIGNATED ENGLISH LANGUAGE DEVELOPMENT

StudySync® Plus includes a dedicated instructional path for English Language Development. Within the program, English Language Development Units teach EL students how to use English purposefully and in meaningful ways. The content of each unit is also well suited to support differentiation for every student. All ELD Units share themes and have essential questions that are linked to the core ELA content. Each grades EL instruction includes:

- ☀ **Four units**, each containing 45 days of lessons
- ☀ Leveled texts in each unit for **Beginner, Intermediate, and Advanced English learners**
- ☀ An **Extended Oral Project** in which students develop, practice, and deliver a two- to three-minute presentation
- ☀ Leveled formative and summative **ELD Assessments** embedded into every unit
