Introducing Contemporary Psychodynamic Counselling and Psychotherapy

Unlock the full potential of teaching and learning with the Open University Press and McGraw Hill Counselling and Psychotherapy collection—crafted to meet the needs of today’s educators and students. Libraries and departments can purchase a one year's eBook subscription, through their aggregator of choice, with **unlimited access** for all students. With **60 titles**, this comprehensive collection covers key areas of counselling and psychotherapy, including therapeutic approaches, mental health interventions, trauma-informed practice, psychodynamic and cognitive-behavioural therapies, and professional ethics. Every title combines academic rigour with practical application, preparing students for real-world success.
