

Career Readiness & Employability

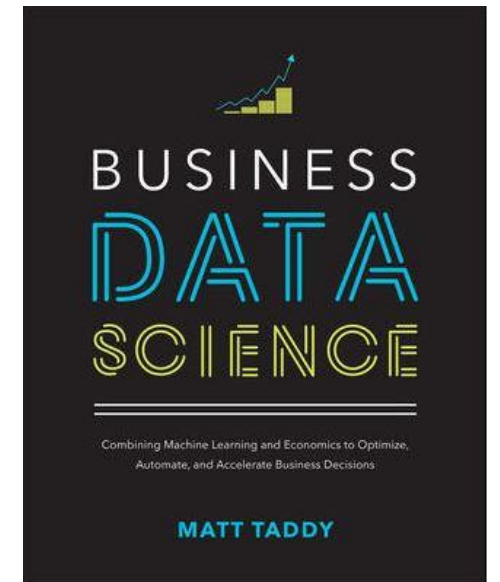

Welcome!

Matt Taddy

Vice President Economic Technology

Amazon

Q&A with Matt Taddy

Times are crazy!
How has COVID been
affecting your job?

Q&A with Matt Taddy

What kind of problems do you solve as a Statistician at Amazon?

Q&A with Matt Taddy

Can you elaborate on the things you look for in new hires?

Q&A with Matt Taddy

What about the more traditional analyst roles, like those in finance or marketing?

What types of skills do they need?

Q&A with Matt Taddy

Is there a lot of pressure to promote analysts, economists, and other more technical staff into less technical management and leadership roles?

Q&A with Matt Taddy

How do you think about metrics (customer satisfaction, business performance)?

Q&A with Matt Taddy

What skills would you tell your 20-year-old self to develop in college before you graduate?
And Why?

Q&A with Matt Taddy

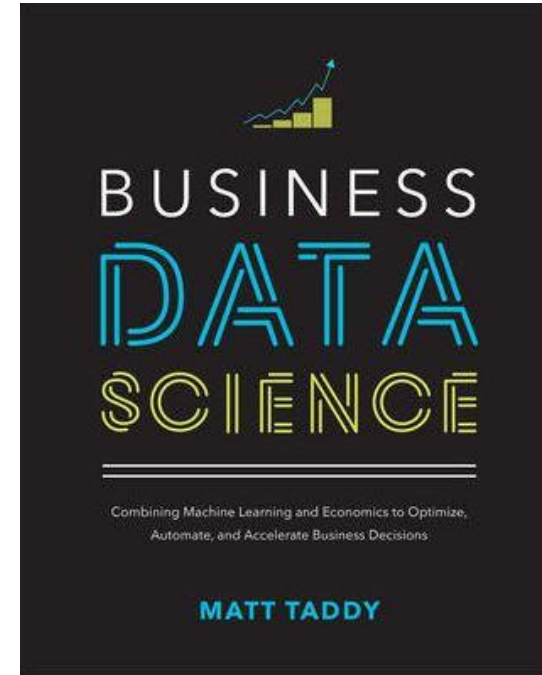

Were there any courses or skills that you didn't think were very important at the time but turned out to be critical to your success?

Q&A with Matt Taddy

Do you think AI and automation will significantly influence your role at Amazon?

Thank You Matt Taddy!
