

The Early Childhood Educator for Diploma 2e

Lorraine Walker

The *Early Childhood Educator for Diploma 2e* aligns with the **CHC50113** Diploma of Early Childhood Education and Care from the CHC (Community Services) Training Package and covers all core units and a range of popular elective units in conjunction with The Early Childhood Educator for Certificate III.

Referenced to the requirements of the Education and Care Services National Regulations and the National Quality Standard (NQS), this new edition further builds on the skills and knowledge learnt in The Childhood Educator for Certificate III 2e with a more detailed coverage of the training package.

Connect

Connect is a digital teaching and learning environment that saves instructors and students time while improving performance over a variety of critical outcomes. The platform strengthens the link between faculty, students and coursework, helping everyone accomplish more in less time.

Features:

- Supported by a comprehensive Connect digital package with an abundance of online learning resources and an integrated eBook.
- Fully integrated online homework and assessment platform with auto-gradable testbanks, interactive questions, PowerPoint chapter summaries, case studies and videos
- Author team of experienced industry professionals
- Appropriate language level for student demographic

Benefits:

- Embodies the values of the flipped classroom technique, giving teachers more flexibility and creativity to provide dynamic content that is targeted and meaningful to the student.
- Enable instructors to create contextualised resource and assessments effectively & efficiently
- Enable students to take control of their learning by allowing them to plan and organise
- Real-time data reports so that instructors can focus on topics which students need the most help
