# SMARTBOOK<sup>®</sup>

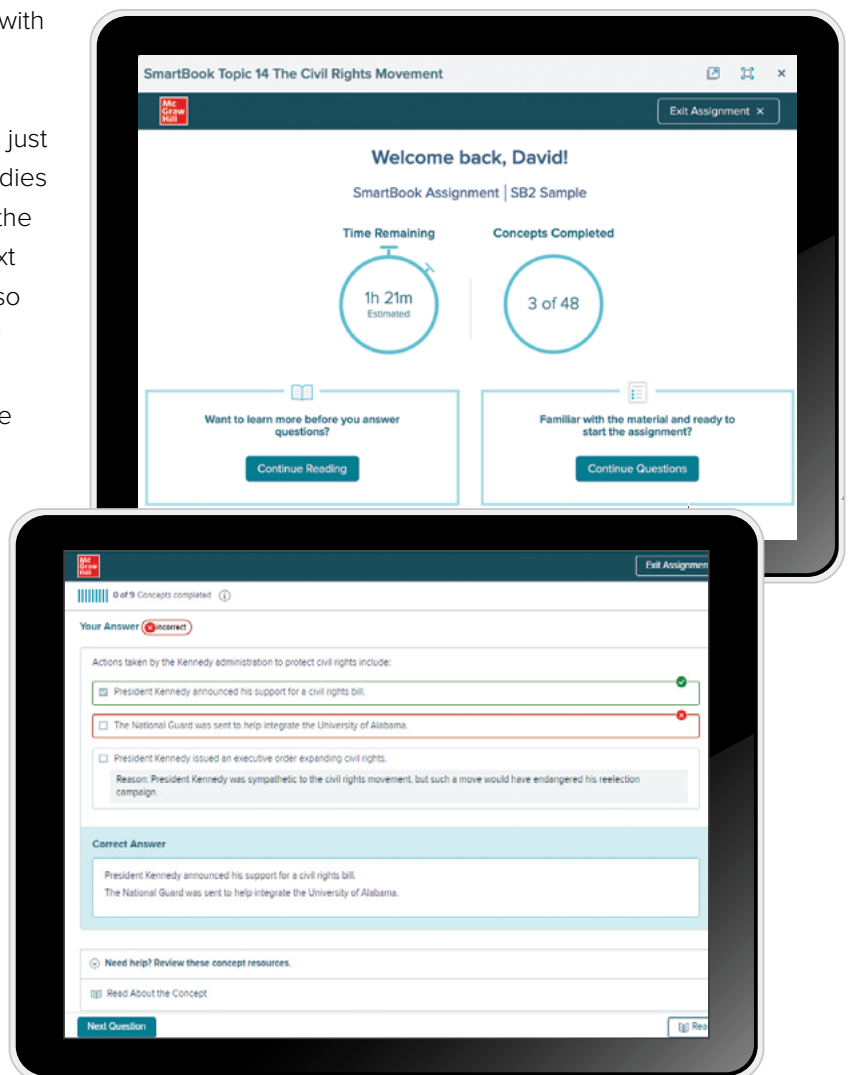

## UNDERSTANDING IS THE FOUNDATION FOR ACHIEVEMENT

At McGraw Hill, we recognize that no two students are alike, and the need for personalized solutions could not be greater. Using revolutionary adaptive technology, SmartBook builds a learning experience unique to each student's individual needs.

*SmartBook* gives students an advantage. Research proves *SmartBook* improves learning outcomes by ensuring every minute a student spends studying is the most productive minute possible.

### Give Students What they Need, When they Need it.

- *SmartBook* determines precisely which learning objectives a student has grasped and those with which they struggle.
- The social studies are made up of more than just facts and dates. SmartBook makes social studies content accessible to students by providing the personalized instruction, practice, and context necessary to build meaning. The program also suggests different ways to access content or review materials when needed, all based on the individual student's personal performance and knowledge indicators.

# SMARTBOOK®

## Effective study time

SmartBook is an adaptive eBook that utilizes technology to guide students through reading, making every minute a student spends studying as productive as possible.

## Engage students with a personalized reading experience

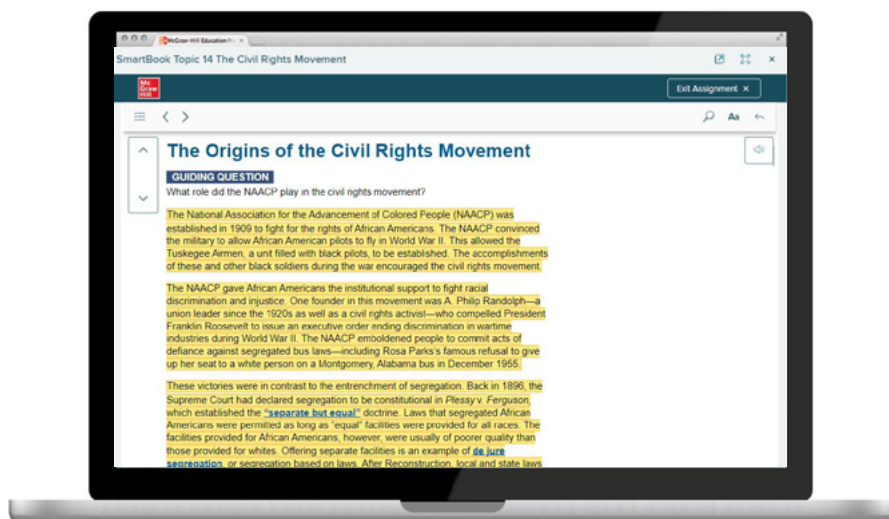

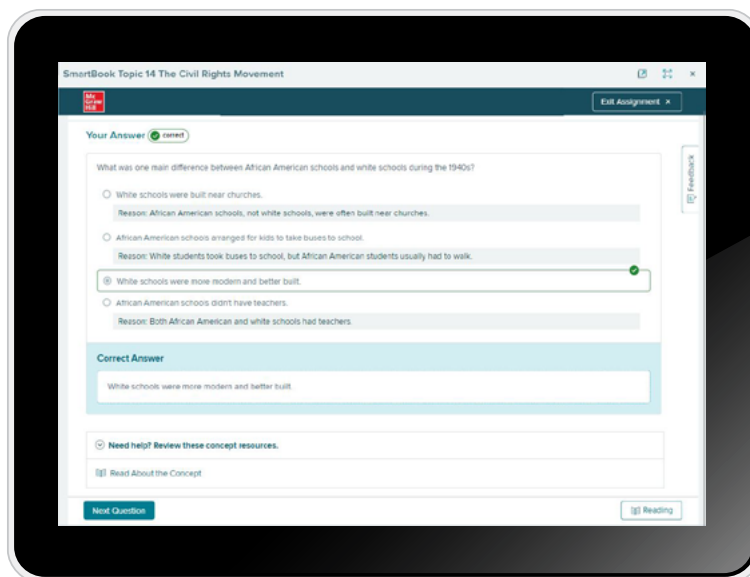

Every student experiences SmartBook differently. The interactive challenge format highlights content and helps each student identify what they know, don't know, and are most likely to forget.

## Easy to use so students retain what they've learned

When SmartBook detects content a student is most likely to forget, the student is presented the content for review to improve knowledge retention.

## Efficient reporting tools pinpoint learning gaps

Students study more efficiently because they are aware of content they know and don't know. Instructor reports identify at-risk students and highlight concepts the class as a whole struggles to master.

**PRIMARY SOURCE : LYRICS**

“ There ain’t nothing I can do or nothing I can say  
 That folks don’t criticize me  
 But I’m going to do just as I want to anyway  
 And don’t care if they all despise me

If I should take **notion**  
 To jump into the ocean  
 Ain’t nobody’s bizness if I do

If I go to church on Sunday  
 Then shimmy down on Monday  
 Ain’t nobody’s bizness if I do, if I do

If my friend ain’t got no money  
 And I say ‘Take all mine, honey’  
 Tain’t nobody’s bizness if I do, do, do, do

If I give him my last nickel  
 And it leaves me in a **pickle**  
 Tain’t nobody’s bizness if I do,  
 if I do . . . ”
