Access Your Required Course Materials

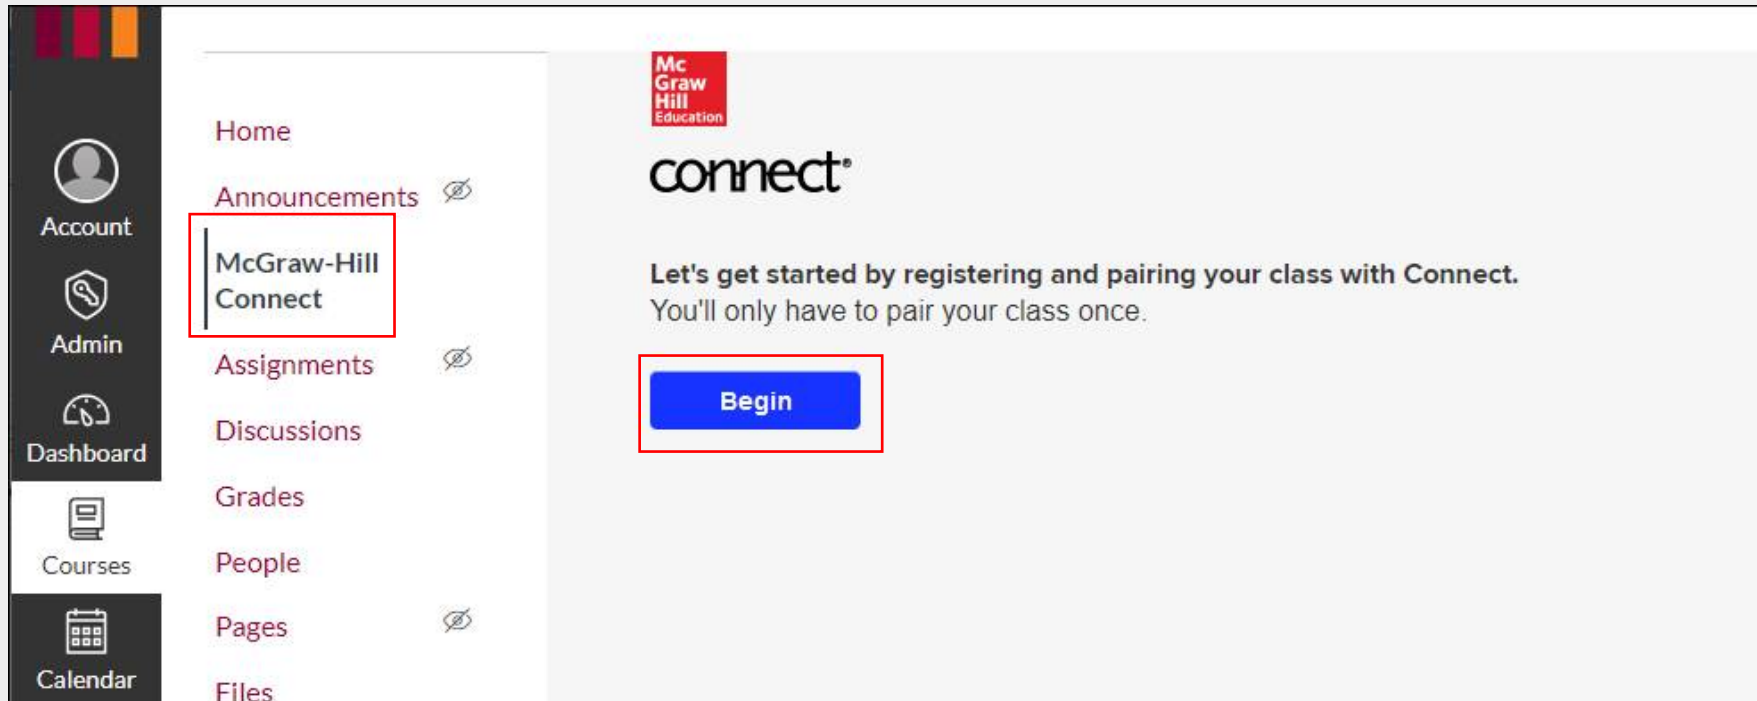

Pairing/Deploying for Connect®
through MyCanvas for [Insert Section]

How To Register

1. Log in to **MyCanvas** and navigate to your course.
2. Select **Courses** from the navigation bar.
3. Select the **McGraw Hill Connect** link click begin.
4. Enter your student email address and click begin. If you already have a Connect account enter your password otherwise you will have to complete a brief registration.
5. Enter your 20-Digit Connect Access Code, Buy your Access code Online, or start a two week temporary access.
6. Confirm your access to the course material
7. Congratulations! You have now registered your Connect access. You can click “GO TO CONNECT” to access the resources directly, or return to My Canvas

Part 1: Pairing Connect

The McGraw Hill Connect tab should already be loaded into all MyCanvas courses. If you do not see the McGraw Hill Connect tab under your Courses tab, please first check the other tabs before reaching back out to [ACTION ITEM insert your email address here]

In MyCanvas, click on the course you want to pair, click on the Courses tab and McGraw Hill Connect. Click on the tab and then click BEGIN

Step 1: Pairing Connect

The screenshot shows the Canvas LMS interface for a course. The left sidebar contains navigation options: Home, Announcements, McGraw-Hill Connect, Modules, Assignments, Discussions, Quizzes, People, Grades, Rubrics, Syllabus, Collaborations, Files, Pages, Outcomes, and Settings. The main content area is titled 'Navigation' and shows a list of course navigation items. The 'McGraw-Hill Connect' item is highlighted, and a mouse cursor is hovering over it. A tooltip 'Edit Course Navigation' is visible. Below the list, there is a section for 'Collaborations' with a note: 'Drag Items here to hide them from students. Disabling most pages will cause students who visit those pages to be redirected to the course home page.' The right sidebar shows 'Share to Commons', 'Student View', 'Course Statistics', 'Course Calendar', 'Import Course Content', 'Export Course Content', and 'Validate Links In Content'. At the bottom right, there is a 'Current Users' table.

Current Users	
Students:	13
Teachers:	3
TAs:	None
Course Set-Up:	None
Designers:	None
Observers:	None

If the **McGraw Hill Connect** tab is not available within your tabs on the left hand side of the screen, you will need to navigate to **SETTINGS > NAVIGATION** and then drag the McGraw Hill Connect item from the bottom list to the list of active folders within the course navigation.

Step 2: Pairing Connect

WELCOME TO
connect™

You're about to set up your MHE Demo Canvas course with McGraw-Hill Connect™

On the following pages, we'll ask you to:

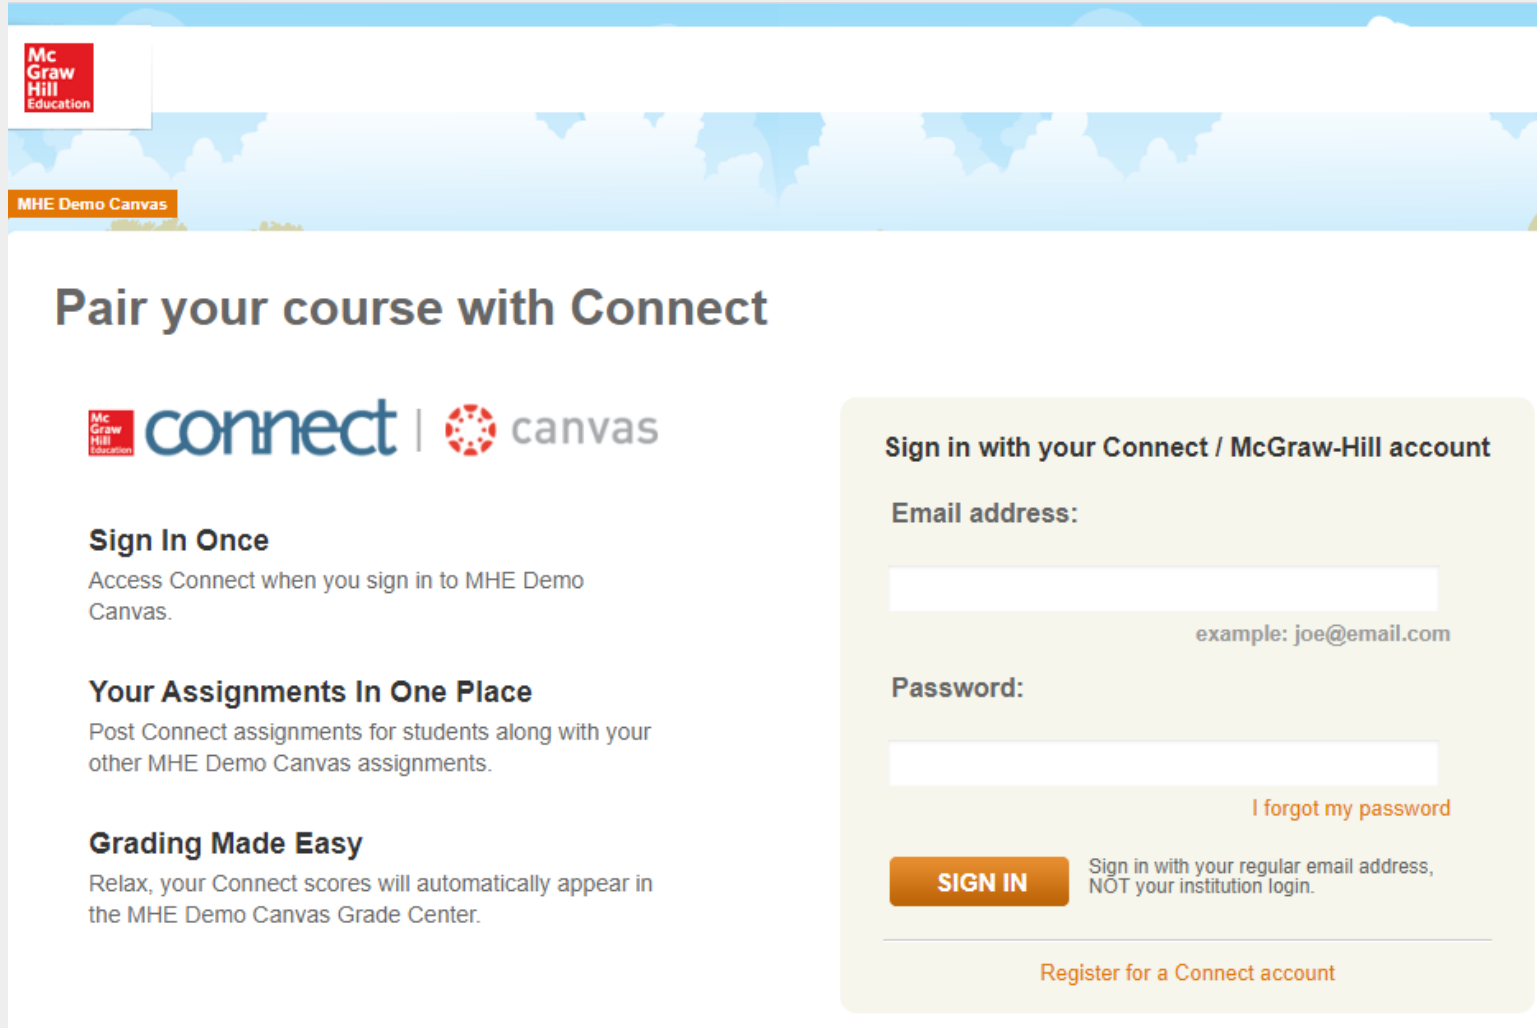

- Sign in or register for Connect
- Pair your course with an existing or new Connect section

Once you're done, you won't have to do this again.

continue

Click **CONTINUE** to continue setup.

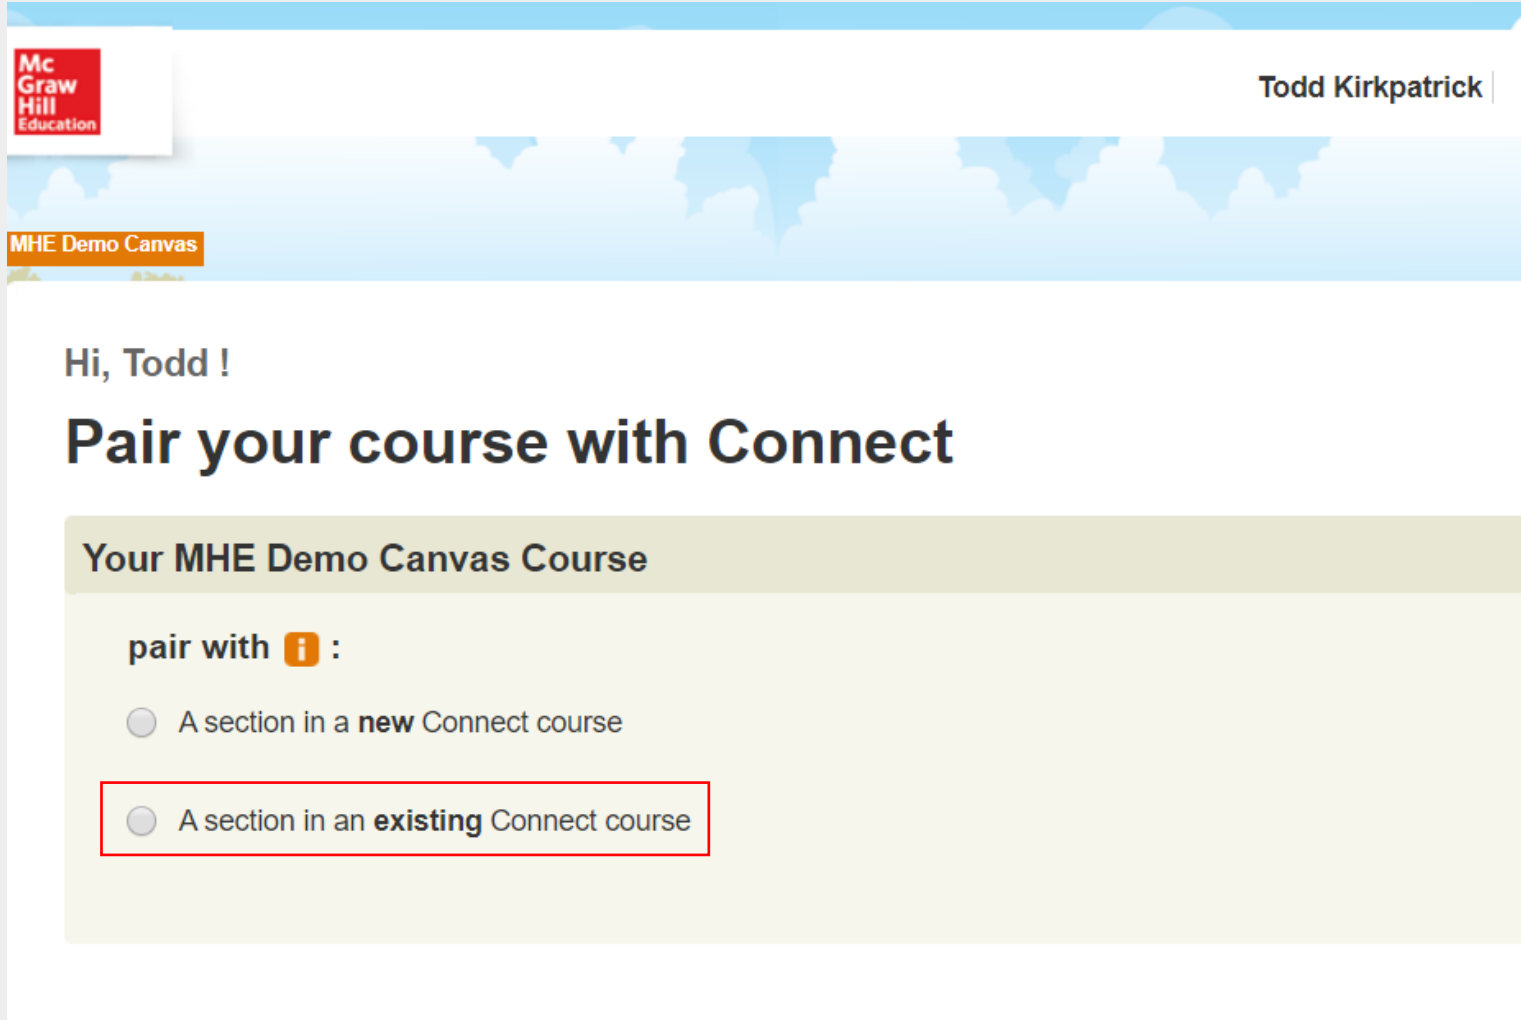

Step 3: Pairing Connect

The screenshot shows the McGraw-Hill Connect pairing interface. At the top left is the McGraw-Hill Education logo. Below it is a banner for "MHE Demo Canvas". The main heading is "Pair your course with Connect". To the left of the sign-in form are three sections: "Sign In Once" (Access Connect when you sign in to MHE Demo Canvas), "Your Assignments In One Place" (Post Connect assignments for students along with your other MHE Demo Canvas assignments), and "Grading Made Easy" (Relax, your Connect scores will automatically appear in the MHE Demo Canvas Grade Center). The sign-in form on the right is titled "Sign in with your Connect / McGraw-Hill account" and contains fields for "Email address:" and "Password:". Below the email field is an example: "example: joe@email.com". Below the password field is a link: "I forgot my password". At the bottom of the form is a "SIGN IN" button and a note: "Sign in with your regular email address, NOT your institution login." Below the form is a link: "Register for a Connect account".

You will now be asked to log into Connect. Please use your Connect username and password to log into Connect.

Step 4: Pairing Connect

The screenshot shows the top navigation bar with the McGraw Hill Education logo on the left and the user name "Todd Kirkpatrick" on the right. Below the navigation bar is a blue header with the text "MHE Demo Canvas". The main content area starts with a greeting "Hi, Todd!". Below the greeting is the heading "Pair your course with Connect". Underneath is a section titled "Your MHE Demo Canvas Course" with a light green background. This section contains the text "pair with ⓘ :" followed by two radio button options. The first option is "A section in a **new** Connect course" and the second option is "A section in an **existing** Connect course". The second option is highlighted with a red rectangular border.

After logging into Connect, you will be asked to pair your MyCanvas course with a new Connect course (hasn't been set up yet) or an Existing Connect Course (one that has already been set up). In most cases, please select EXISTING.

Step 5: Pairing Connect

SELECT ONE:

ACCOUNTING CANADA

LearnSmart

Buckwold 20th edition 2017-2018

Demo

LearnSmart

Hilton 9th Canadian Edition

Libby - Financial Accounting

You will now see a listing of the titles in your Connect account, select the title you are going to pair with.

Step 6: Pairing Connect

Select a section of this course ✕

[unpair this section](#)

Once you unpair a section, the links to Connect assignments that have already been deployed to your MHE Demo Canvas course will no longer work.

Step 8: Pairing Connect

The screenshot shows the MyCanvas interface for a course named "todddemocourse". The left sidebar contains navigation links: Account, Dashboard, Courses, Calendar, Inbox, Commons, Help, Home, Announcements, Assignments, Discussions, Grades, People, Pages, Files, Syllabus, Outcomes, Quizzes, Modules, Conferences, Collaborations, McGraw Hill Campus, McGraw-Hill Connect, McGraw-Hill Single Sign-On, Tegrity Classes, ConnectED - DEV, Badges, and Settings. The main content area displays the McGraw Hill Connect logo and a "connect" header. Below this, there are "Quick links" including "Go to my Connect section" (Paired Connect section: Demo (118330551)), "Learn about Connect", "SmartBook / LearnSmart", "Connect Library", and "Lecture Captures" (Record lectures to capture the material for students both in and out of class.). Under the "Tools" section, there are three options: "Sync with my Connect section" (Re-link assignments and sync grades and assignment information from Connect.), "Reset section pairing" (Reset pairing to unlink this course from the Connect section. You'll have to pair again in order to access McGraw-Hill content.), and "Unlink automatic sign-in" (Linked Connect email address: todd.kirkpatrick@mh.com. Unlink the email address that is used to automatically sign you into Connect from Canvas. This will prevent manual syncing and remove direct access to Connect.).

When you navigate back to MyCanvas, under the Courses tab you should now see that you have more options available to you as you are now paired. You can use the GO TO MY SECTION to log into Connect anytime.

Part 2:

Deploying Assignments

New for Summer 2020 and moving forward, the pairing option between McGraw Hill and Canvas allows for the assignments from Connect to sit directly within the Canvas course. Deploying assignments over to Canvas will automatically create a column for each assignment within the gradebook. When the due date passes for the assignment, the gradebook will automatically be updated.

If you have Connect assignments that are not for grades, but for practice, and if you deploy them to MyCanvas, you will need to ensure that you set their weighting to 0 in the gradebook.

When you deploy the assignments from Connect over to MyCanvas, they will be deployed over the to ASSIGNMENTS tab within the Canvas course.

Step 1: Deploying Assignments

[edit assignment](#) / [set policies](#) / [review & assign](#)

name your assignment: ?

Once you have deployed your assignment, you will notice a Red Canvas Icon next to the assignment to confirm it has been deployed.

Step 3: Deploying Assignments

The screenshot shows the Canvas LMS interface for a course named 'todddemocourse'. The page title is 'Assignments'. On the left is a navigation sidebar with icons for Account, Dashboard, Courses, Calendar, Inbox, Commons, and Help. The main content area has a search bar labeled 'Search for Assignment' and buttons for '+ Group' and '+ Assignment'. Below these is a list of assignments. The first item is 'Assignments' with a dropdown arrow and a plus icon. The second item is 'Demo Assignment' with a green checkmark icon, '10 pts', and a plus icon. The sidebar lists various course tools: Home, Announcements, Assignments, Discussions, Grades, People, Pages, Files, Syllabus, Outcomes, Quizzes, Modules, Conferences, Collaborations, McGraw Hill Campus, McGraw-Hill Connect, McGraw-Hill Single Sign-On, Tegrity Classes, ConnectED - DEV, Badges, and Settings.

After you deploy the assignment, you will now see the assignment listed in the folder/destination you selected within Canvas. This is the purpose of deploying, having the assignments sit directly in MyCanvas for ease of student access.

Step 4: Deploying Assignments

The screenshot shows a course management interface for 'todddemocourse' in the 'Grades' section. A sidebar on the left contains navigation icons for Account, Dashboard, Courses, Calendar, Inbox, Commons, and Help. The main content area features a breadcrumb 'todddemocourse > Grades', a navigation bar with 'Gradebook', 'View', and 'Actions' dropdowns, a search bar, and a settings gear. Below this is a table with the following structure:

Student Name	Demo Assignment Out of 10	Assignments	Total
--------------	------------------------------	-------------	-------

The 'Demo Assignment Out of 10' cell in the table is highlighted with a red border.

Notice the assignment is also listed in the gradebook now.

Step 1: Deploying Assignments (Alternative Method)

The screenshot shows the MyCanvas interface for a course section. The top navigation bar includes 'Library', 'Performance', and 'My courses'. The main content area is divided into two columns. The left column, titled 'section overview', shows 'no messages to show' and 'no assignments to grade'. Below this is an 'Assignments' section with an '+ Add Assignment' button and a table of assignments. The table has columns for 'Title', 'Shared', 'Info', 'Start-due', 'Show/hide', and 'Deployed'. Two assignments are listed: 'Demo Assignment' and 'Demo Assignment 2'. The 'Deployed' column for 'Demo Assignment 2' contains a white checkmark, which is highlighted with a red box. The right column, titled 'Section info', shows the instructor's name 'Todd Kirkpatrick' and a list of 'Sections and colleagues'. Below this is an 'eBook' section for 'DEMO - Libby (CDN), Financial Accounting, 7ce'. At the bottom left, there is a yellow button that says 'Return to MHE Demo Canvas'.

Title	Shared	Info	Start-due	Show/hide	Deployed
Demo Assignment	<input type="checkbox"/>		04/09/20- none		
Demo Assignment 2	<input type="checkbox"/>		04/09/20- none		<input checked="" type="checkbox"/>

The second method for deploying assignments from Connect to MyCanvas is directly from the Section Home Page. This method will allow you to deploy multiple assignments at a time. First, click the white check box to the right of one/multiple assignments.

Step 2: Deploying Assignments (Alternative Method)

The screenshot displays the McGraw Hill Connect interface. At the top, there are navigation tabs for 'Library' and 'Performance', and a 'My courses' link. Below this, there are sections for 'no messages to show' and 'no assignments to grade'. The main area is titled 'Assignments' and includes a '+ Add Assignment' button. A table lists two assignments: 'Demo Assignment' and 'Demo Assignment 2'. A context menu is open over the 'Demo Assignment' row, with the 'Deploy / manage' option highlighted. The menu options include: Deploy / manage, Share, Copy, Group, Manage dates, Show / Hide, Delete, and Prerequisites. On the right side, there is a 'Section info' panel for instructor Todd Kirkpatrick, showing an eBook titled 'DEMO - Libby (CDN), Financial Accounting, 7ce' and a section web address: <https://connect.mheducation.com/class/t-kir>. There is also an 'Upload syllabus' button.

Next, click the stack of papers icon at the top of the list and click deploy.

Step 3: Deploying Assignments (Alternative Method)

McGraw Hill connect

Deploy

Return to MHE Demo Canvas

From this screen you will click Deploy

Step 4: Deploying Assignments (Alternative Method)

The screenshot shows the McGraw Hill Connect interface. At the top left is the McGraw Hill logo and the word 'connect'. Below it is a 'home' button. The main heading is 'Deploy and Manage'. Underneath, there is a sub-heading 'Deploy assignments to MHE Demo Canvas' and a note 'You can return to this page to manage assignments'. There is a 'selected assignments' link. A section titled 'Set your options' includes a 'Grade Type' dropdown menu and radio buttons for 'Best', 'Last', and 'Average'. To the right, there are 'manage:' buttons for 'in bulk' and 'individually'. A 'cancel' button is at the bottom left, and a 'Deploy' button is at the bottom right. A yellow callout box at the bottom left says 'Return to MHE Demo Canvas'. A modal dialog titled 'Deploying Assignment(s)' is centered on the screen. It contains the text: 'We're sending your assignments to Canvas, where students will be able to access them directly. As we deploy each assignment, your section home page will update automatically to reflect progress.' Below this text is a red gear icon and the text 'Look for this deployed icon:'. At the bottom of the modal is an 'Ok' button.

Step 5: Deploying Assignments (Alternative Method)

The screenshot shows a course management interface with a teal header. The header includes a home icon, 'Library', 'Performance' with a dropdown arrow, and '« My courses'. Below the header, there are two tabs: 'section overview' (selected) and 'Instructor view' (selected) with 'Student view' as an alternative. The main content area is divided into two columns. The left column has a 'no messages to show' and 'no assignments to grade' status bar. Below this is an 'Assignments' section with a '+ Add Assignment' button and a table. The table has columns for 'Title', 'Shared', 'Info', 'Start-due', 'Show/hide', and 'Deployed'. Two rows are visible: 'Demo Assignment' and 'Demo Assignment 2'. Both rows have a red circular icon with a white star in the 'Deployed' column, which is highlighted by a red box. The right column has a 'Section info' section with a gear icon. It displays the instructor's name 'Todd Kirkpatrick' and a link to 'Add your photo, email address, office hours'. Below this is a 'Sections and colleagues' section with a person icon. The bottom section is an 'eBook' titled 'DEMO - Libby (CDN), Financial Accounting, 7ce' with a 'Section web address' field containing a URL: 'https://connect.mheducation.com/class/t-kir'. A yellow warning box is present above the URL, stating: 'If you are pairing with an LMS, do not use the section web address. Click here for further instructions for your students.'

Title	Shared	Info	Start-due	Show/hide	Deployed
Demo Assignment			04/09/20- none		
Demo Assignment 2			04/09/20- none		

Your assignments are now deployed as noted by the red Canvas icon.

Step 6: Deploying Assignments (Alternative Method)

The screenshot shows the Canvas LMS interface for a course named 'todddemocourse'. The page is titled 'Assignments' and features a search bar and buttons for '+ Group' and '+ Assignment'. A list of assignments is displayed, including 'Demo Assignment' and 'Demo Assignment 2', both worth 10 points. The 'Demo Assignment 2' entry is highlighted with a red box. The sidebar on the left contains navigation options: Home, Announcements, Assignments, Discussions, Grades, People, Pages, Files, Syllabus, Outcomes, and Quizzes.

Assignment Name	Points	Status
Demo Assignment	10 pts	✓
Demo Assignment 2	10 pts	✓

You will now see that the second assignment that was deployed is also now listed in your Assignments tab in Connect.

Step 7: Deploying Assignments (Alternative Method)

The screenshot shows a course management interface for 'todddemocourse' under the 'Grades' section. The interface includes a sidebar with navigation options: Account, Dashboard, Courses, Calendar, Inbox, Commons, and Help. The main content area displays a gradebook table with the following structure:

Student Name	Demo Assignment Out of 10	Demo Assignment 2 Out of 10	Assignments	Total

The 'Demo Assignment 2' column is highlighted with a red box. Above the table, there are navigation tabs for 'Gradebook', 'View', and 'Actions', a search bar, and a settings gear icon.

The newly deployed assignments is also now listed in the gradebook.
