

# Solutions to Support MTSS in NYC

NYC students and teachers bring rich and varied perspectives, interests, and talents into the classroom every day. Our learning solutions embrace those differences and empower classroom communities to teach and learn in ways that celebrate individual needs—because each student deserves to connect with the right content at the right moment in their education.

**We're here to support all  
of your learning goals.**

**Programs and services include:**

- Core
- Intervention
- Supplemental
- AP®
- Honors & Electives
- Career Technology Education
- Professional Development

AP®, Advanced Placement®, and Advanced Placement Program® are trademarks registered by the College Board, which was not involved in the production of, and does not endorse, these products.

## Featured Programs for NYC

Through high-quality, trusted content developed with world-class authors—and flexible tools to meet the needs of different teaching and learning styles—our programs help meet learners where they are and advance with them as they progress toward their goals. Some of our programs are:

Language Arts	Math	Social Studies	Science & Health
     	    	   	  

As your partner, we offer personalized service and support from your neighborhood representative.
