Corbett, Talk for Writing in the Early Years

Allen, Misconceptions in Primary Science

Unlock the full potential of teaching and learning with the Open University Press and McGraw Hill PGCE collection—crafted to meet the needs of today's teacher trainees and their instructors. Libraries and departments can purchase a one year's eBook subscription, through their aggregator of choice, with **unlimited access** for all students. With **over 80 titles**, this comprehensive collection covers key areas of a PGCE programme, looking at classroom practice and specialist topics such as SEND and EDI across Early Years, Primary and Secondary. Every title combines academic rigour with practical application, preparing students for real-world success.
