INTRODUCING STUDYSYNC[®] 2021

Since your district last adopted StudySync, we've been listening and working with educators like you to understand what drives success for you and your students. We know your classroom continues to change - and so does StudySync. Our goal is to bring you a comprehensive ELA curriculum that combines what you love about your current subscription, with your suggested enhancements and features you didn't even know you wanted, but won't want to live without.

With the aim of creating an equitable learning environment, StudySync is designed to **captivate** with an unparalleled selection of culturally-diverse literature, **elevate** with instruction tailored to each student's specific learning needs, and provide flexibility to **create** the ideal classroom experience for you and your students. Explore new features and enhancements that help StudySync continue to bring literature to life for every learner.

What's New

- 2-volume hardcover wraparound teacher's edition
- Full-color student edition available in consumable or hardcover
- 6-unit core instructional path
- Novel study units at grades 9-12 that now meet 100% of standards
- American and British Literature chronological course options at grades 11-12
- Increased representation of diverse authors in table of contents
- Digital scaffolding at 5 proficiency levels
- Scaffold supports for ELLs in 100% of core curriculum lessons
- Seamless integration with popular LMS platforms such as Canvas and Schoology
- A full assessment suite built directly into the StudySync platform

Since you always get our latest content, you may have already noticed a few of these features in your current digital experience!

ROBUST PRINT COMPONENTS

Our new print student and teacher editions provide even more comprehensive support—allowing you to use StudySync print and digital interchangeably and easily deliver strong ELA instruction for every learner, no matter what your classroom set up looks like.

Wraparound Teacher Edition

Now in a wraparound format, our new 2-volume, hardcover Teacher Edition can be used for lesson planning, as well as in-the-moment support while you're teaching.

Full-color Student Edition

Our full-color Student Edition includes 100% of core text selections, as well as skills and grammar practice, the Extended Writing Project, and ELL leveled texts.

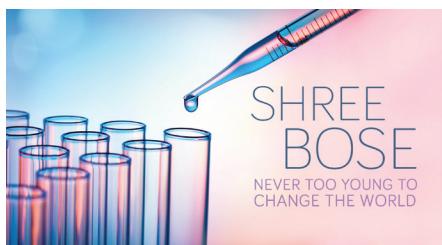

DISCOVER NOVEL OPTIONS

Now over **500 print novel titles** to choose from!

LITERATURE TO CAPTIVATE

Our revised table of contents and ever-growing digital library prioritize selections that reflect the diversity of each reader's culture and experience. Texts from culturally- and gender-diverse authors now comprise over half of total thematic unit selections at every grade level.

Guided by our program author, **Dr. Michelle H. Martin**, StudySync follows the teachings of Dr. Rudine Sims Bishop and James A. Banks on multicultural literature, an approach most widely known as mirrors, windows, and doors. Following this approach helps ensure that our selection of texts:

- **Reflects** the diversity of each reader's culture, identity, and experience
- **Shows** every reader cultures, identities, and experiences different from their own
- **Offers** access both into and out of each reader's everyday condition
- **Promotes** thinking and decision-making skills as a source of empowerment

DIFFERENTIATION TO ELEVATE

Every student using StudySync® 2021 has the same opportunity and access regardless of native language or proficiency level.

Teacher resources now include point-of-use differentiation suggestions. The StudySync difference is that we also place support directly in the hands of learners. For approaching and English Language Learners, digital scaffolds within the student experience automatically tailor every single lesson to each student's level of conceptual understanding and unique learning needs.

SEE IT IN ACTION

Check out StudySync differentiation.

Expanded Support for English Language Learners

Our re-vamped ELL framework includes student-facing digital scaffolds for 100% of core curriculum lessons, as well as 2 created ELL texts and 20 additional ELL lessons per unit.

FLEXIBILITY TO CREATE

StudySync provides unprecedented flexibility—allowing you to create the ideal classroom experience for you and your students. You determine the pace of study, literature, and organizational structure of your classes, StudySync® 2021 provides all the instructional resources you need to make it happen.

The screenshot shows the StudySync 2021 web interface. At the top is a navigation bar with the StudySync logo, followed by links for USERS, ASSIGNMENTS, LIBRARY, ASSESS, and CORE ELA. Below the navigation bar is a horizontal menu with grade levels 6 through 12, and buttons for AM and BR. A large yellow oval highlights the 'Thematic Unit Options' and 'Novel Study Options' buttons, which are grouped under 'Unit 1'. Below these buttons are four image cards: 'The Power of ...' (power lines at sunset), 'I Will Always ...' (airplane in flight), 'Fahrenheit 451' (burning books), and 'Things Fall A...' (golden face).

6-unit structure, each 30 days long

Each grade level is now composed of 6 units—each 30 days long—and 100% of tested standards are taught in just the first 4 units.

Thematic unit *and* novel study options

Each unit offers both a thematic option *and* multiple novel studies—all with full instructional support. At grades 9-12, novel study units now meet 100% of tested standards.

New American and British Literature courses

Teachers in grades 11 and 12 now have the option to choose thematic units or chronological American and British literature units.

FULLY INTEGRATED ASSESSMENT

Our new, fully integrated assessment suite streamlines instruction, progress monitoring, and remediation. StudySync Assess saves you time by providing automatic suggestions for further practice that are unique to each student's progress.

The screenshot shows the StudySync Assess dashboard. At the top, there are navigation tabs: USERS, ASSIGNMENTS, LIBRARY, ASSESS (which is highlighted in orange), and CORE ELA. Below the tabs, there is a grid of student names with their corresponding assessment scores. The students listed are Able, Everett; Alfonsi, Gianna; Barrantes, Sofia; Battan, Oscar; Bordelon, Patrick; Imbergano, Anthony; and James, Joshua. Each student has a row of four colored boxes representing different assessment categories: RL.8.2 (green), RL.8.1 (orange), RL.8.4 (yellow), and L.3.4.A (green). The scores are: Everett (82%, 90%, 80%, 98%), Gianna (86%, 75%, 88%, 68%), Sofia (81%, 55%, 100%, 85%), Oscar (100%, 90%, 89%, 90%), Patrick (77%, 72%, 85%, 70%), Anthony (42%, 84%, 91%, 86%), and Joshua (94%, 90%, 91%, 91%). To the right of the student grid, there is a box titled "Standard Remediation" for RL.8.2. It contains a description of the standard: "Determine a theme or central idea of a text and analyze its development over the course of the text, including its relationship to the characters, setting, and plot; provide an objective summary of the text." Below this, there are "Spotlight Skills" for "Structure - Informational Text Structure" and "Structure - Print and Graphic Features", each with "View" and "Assign" buttons. At the bottom of the remediation box is a search bar: "Search for resources that show this standard".

A DEDICATED TEAM TO SUPPORT YOU

If you haven't yet experienced our best-in-class implementation support, we can't wait to partner with you!

In addition to live webinars and our on demand professional development course, a member of our team will be dedicated to supporting your district. Your implementation specialist will work with you to customize a training plan that starts in year 1 and continues throughout your StudySync adoption. Training options include:

- Initial and follow-up training
- Teacher and administrator Q&A
- Blended learning implementation support
- Customized virtual sessions for your district, school, or individual teachers

MEET THE TEAM

Say hello to the StudySync Implementation Team!
